# THE FINE PRINT

*Rentals must be placed a minimum of 2 weeks prior to your event. There are a few items I'm able and willing to add on last minute, so feel free to ask if something pops up!*

*There is a separate contract for rentals and you will be invoiced separately. On top of the rental fees, I will collect an additional 50% of the total charge as a security & damage deposit. This deposit will be promptly returned to you, via Zelle, post-event, so long as none of the rented items were damaged during the event. If an item is damaged, I will assess the extent of the damage and determine the appropriate deduction from the security deposit to cover replacement costs.*

*Fill out the form (found on my website on the "Weddings" page) for which rentals you'd like to secure. Email me the form & I will send you a rental contract. Once the contract has been signed & sent back, your rentals will be reserved. I will bring all rentals on your wedding day, set them up with the rest of your personal decor items, and pack them up with the rest of your personal decor items.*
